LULIA

All right, that's enough! Finish  
your chores now. Daniel, why don't

DANIEL

Yes, ma'am. (to Jacobson) Would you  
like milk in your coffee, Mr.  
Jacobson?

JACOBSON

I'll take it black, thanks, Daniel.

Daniel smiles and heads towards the door, then turns back.

DANIEL

Father always has great things to  
say about you. I'm glad you came.

He goes into the kitchen, leaving the adults alone.
