A twisted, terrified face is being shoved in the dirt.

A heavy-set boy kneels on the back of his victim, as other boys laugh and chant cruelly:

BULLY

Eat it! Eat the dirt, Charlie! Come on!

CHARLES BANNON is 17, gangly, and terrified. He struggles for a moment, but then opens his mouth and starts to eat a mouthful of dirt. The boys hoot with delight.

BULLY (CONT'D)

HA, HA! That tastes good, don't it, Charlie? (to the others) Come on, let's take him down to the river...

They pull Charlie away.
